

REMARKS

By this Preliminary Amendment, a Cross Reference to Related Applications and an Abstract of the Disclosure are being added to the specification, and the claims are being amended to conform with U.S. practice. More particularly, the claims are being amended to avoid multiple dependencies, delete reference signs, ensure clear antecedent basis, and to employ other terminology preferred in U.S. practice. The addition of "new matter" has been scrupulously avoided. Claims 1-10 remain in this application.

Favorable consideration of this application, as amended, is respectfully requested.

Respectfully submitted,

Jeff Rothenberg  
Attorney for Applicants  
Reg. No. 26,429
